# School Padlocks

## Price List 2009

## What's in your Locker?

Laptop, iPod, Mobile Phone... all these items are common accessories that become priceless once you personalise them with your own information.

*Who knows your locker combination? How many keys will work in your locker? Isn't it time you upgraded your locks to give yourself some peace of mind?*

## API has a range of padlocks to suit every requirement.

You can have the option\* to personalise your padlocks with text or colour:

- Add your school logo or name to the face of the padlock
- Select coloured dials for your school colours or vary colours to represent different year levels

Orders should be placed now to ensure delivery for the 2009 school year.

Please phone Rick Vriends on (03) 9644 5842 to discuss logo, text and colour options.

\*Please note: These options apply to the 1502 and 1525 models only.  
A one off set-up charge of \$646.80 applies to padlock orders with text or logo.  
A maximum of 7 characters in white text can be used on black or coloured dials.  
A six-week delivery time and minimum quantity of 100 padlocks apply.  
An additional charge of \$5.83 per padlock applies for text, logo and/or coloured dials.

## Master Locker Manager

'Locker Manager' is an easy-to-use, software product that makes locker administration simple. It helps to automate:

- Assigning students/employees to lockers
- Annual management of locker combinations
- Locker maintenance activities
- Simple set-up and operation

**FREE 30 DAY TRIAL  
AVAILABLE NOW!**

PLUS as a special offer, order a quantity of 200+, 2002 or 2010 Combination Padlocks and receive the Locker Manager software FREE, that's a saving of over \$302.

Visit [www.apisec.com](http://www.apisec.com) and follow the links to receive your free trial today.
